

...to enhance the cooperate identity in both physical and philosophy.

**L**ocated on 15<sup>th</sup>-16<sup>th</sup> of Cyber World Tower, Bangkok, this Kumon Thailand Head Quarter is served as both office and training center. The interior design is for an extension of space on both 15<sup>th</sup>-16<sup>th</sup> floor. The project includes new conference rooms, new private offices, new training facilities and staff lounge. The design theme is aimed to enhance the cooperate identity in both physical and philosophy.
