

Located on the 18th floor of Thai - Wha Tower II, Sathon, Bangkok, this 380 sq.m. time sharing business offers their members the vacation plan to all exotic destinations around the world.

At the main lobby, good "Fung-chui" is the most important design concern. The balance of soft & hard surfaces in specific orientation creates a good flow of life energy. Also, the color palette and light setting were designed to give the user a warm & welcoming atmosphere.
